

THE CANN-ZORNOW
Dispersal Sale
of
Registered Shorthorn Cattle

To Be Held At
Will County Fairgrounds
Peotone, Illinois

Friday, Dec. 15, 1961

Beginning at 12:30 P. M.

FORWARD

It is with regret that conditions warrant the dispersion of this fine herd of Shorthorn cattle. They are just reaching the potential of what I expected from them. I will personally guarantee any of these animals to be what I have said in the footnotes.

Clyde Cann

GENERAL INFORMATION

Guarantee—All cattle sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's disease and tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over fourteen months old at the time of the sale are guaranteed to be breeders. Animals returned to seller, because they do not comply with guarantee, will be at buyer's cost of transportation.

Terms—The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchased. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off. The management will attend to loading on cars or trucks in compliance with instructions from purchasers.

The above guarantee and terms shall constitute a contract between consignor and buyer on each lot. Neither the sale manager, clerk of the sale, nor the Association assumes any liability legal or otherwise.

Registration—A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignor, or written from information supplied by the consignor.

All animals in this sale have been tested for tuberculosis and Bang's disease and health charts to comply with the regulations of any state will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

Auctioneers—Harvey Miller, Danvers, Ill. and Hugh & Pat Gorman, Peotone, Ill.

Shorthorn World Representative—Bill Stunkel.
